## LEGION PLANS FOR CHRISTMAS PROGRAM

By WALTER HOLLAND

The Albany Legion Post 292 Veterans Hospital Committee evidently does not think it is too early to think about Christmas. This committee is "putting into high gear" a program to make a Merry and Happy holiday season for patients in the service hospitals in the East Bay Area and at the Veterans Hospital in Livermore.

Veterans of World War I and World War II will conduct a Waste Paper Drive with the Pick Up Day set for Sunday, September 16. Proceeds from this paper drive will go to the Veterans Hospitals Committee. Godfrey Hanson has been appointed general chairman of this drive and his committee has been busy soliciting the aid of Albany citizens in this very important Waste Paper Pickup. The first two groups to volunteer their services to this cause were the Albany Police and Fire Departments.

Joe Villa of the Albany Rotary Club and Jack O'Leary, superintendent of streets, will head the transportation committee and thus there should be plenty of trucks to tour the city for the pickup of waste paper left on the curbs in front of homes and business establishments.

The budget for the Veterans Hospitals Committee for this year has been set at \$60,000 as a minimum required amount. Elmer Zollner, secretary of the VHCC has written to Hanson and stated, "I think the idea of having a salvage paper drive in Albany for the benefit of the

## Democratic Reporters To Celebrate Their Tenth Anniversary

The Albany Democratic Reporters will celebrate their 10th Anniversary at a tea from 2:00 until 4:00 o'clock Saturday, September 1st, at the home of Mrs. F. P. Landon, 1607 Posen Avenue.

Mrs. Louis J. Hardie, president of the group will preside. Mrs. Roland Estes will have charge of arrangements. Mrs. Henry F. Grady, former National Committeewoman and organizer of the Reporter groups in California will give the History of the organization.

Mrs. T. A. Burnett from Glendale, and president of the State organization will tell of the work being done by affiliated women's clubs in California.

The Albany Democratic Reporters will continue under the name of the Albany Women's Democratic Forum which is a part of the New Democratic organization for women. All Democratic Women and their friends are welcome to the tea.

Christmas Fund is an excellent one as it will give every person in your community a share in the work of raising the funds we will require for the plans made during the coming Holiday Season for the Bay Area Service Hospitals."

## Community Chest Sets \$298,300 Goal

The Community War Chest of Berkeley, Albany and Kensington has set its mark for a total of \$298,300 for the 1945 campaign, a goal slightly larger than that set for the 1944 appeal.

Announcement of the goal was made Thursday, August 23, by Dr. V. Loper, Chest president, following a special meeting of the board of directors to determine fund needs for next year's services in a post-war era.

Of the goal total, 55.6 per cent has been scheduled for the 21 local Community Chest agencies for child care, youth guidance, health and family welfare services; 34.3 per cent for the 20 war-related agencies, including U.S.O. and U.S.O.-Camp Shows and aid to victims of war; 3.5 per cent for campaign expenses; 3.6 per cent for administration, year-round staff, rent, utilities, supplies and collection expense; and an allowance of \$9000 for uncollectable pledges.

Clarence Bullwinkel, campaign chairman, announced campaign division quotas as follows: advance gifts, \$40,000; corporations, \$51,000; commercial firms and employees, \$40,000; industrial employees and unions, \$36,300; residential solicitation in Berkeley and Kensington, \$92,500; public, private and parochial schools, \$10,000; University of California faculty, employees and students, \$20,000; Albany, \$8,500.

The best we hope for will come true when we're true to the best in us.

## Breakfast Clubs Annual Picnic

The Albany Women's and Men's Breakfast Clubs will hold their annual picnic September 16, at Albany Memorial Park. This affair is scheduled to start at 12 o'clock noon.

## Exchange Ball Club Bows to Richmond

The Albany Exchange Club was defeated by the powerful Richmond Exchange Club, Sunday morning, August 26, at Memorial Park, by a score of 11-1. John Gilmore, pitching a 2-hit game, blanking the Albany boys for seven innings, was the hero of the game.

The Albany Exchange Club behind the stellar pitching of "Speed" Zerga and Henry Villa finally reached the slants of "Speedball" Gilmore for one run in the seventh inning. McSheehy walked after 2 men were out and Gilmore made his first mistake of the game by throwing Third Baseman Ed Howell a slow ball, which promptly lined into left field for a triple, scoring Albany's only run of the game.

Albany's other hit was credited to George Glavinovich, shortstop.

A return game will be played by the two Exchange Clubs at Richmond Thursday, September 6, under the night lights at 8:30 p. m. Following the ball game the Richmond Club will host to the Albany Club and will serve refreshments to Exchange Club members and their wives.

The Albany Club extends an invitation to all softball fans in this vicinity to witness this "grudge battle" in Richmond next Thursday.

## Lanham Funds Terminated September 30

Superintendents' of Recreation of the 7 bay counties met in Albany Wednesday morning, August 29, with other officials interested in the notice that all Lanham Act funds for recreational activities in war housing projects and other related activities will be terminated September 30, 1945.

The meeting brought together representatives of City and School Recreation Departments, Representatives of the Federal Public Works Agency, Federal Public Housing Authority, California Youth Authority, and other officials. Edwin S. Howell, Albany Superintendent of Recreation presided over the meeting.

In summarizing the discussion it appeared possible that steps might be taken to petition Congress to pass new legislation which would embody features of the Lanham Act, by removing restrictions as to war activities. It was suggested by many of the officials that the Governor's office should be informed, in hopes that Recreation and Child Care may be included in the special session of the State Legislature.

Howell pointed out at the close of the meeting that all possible resources for additional funds to carry on during the reconversion period would be explored by many of the communities, as it was the feeling of the majority of the executives present that if these programs were discontinued a tremendous juvenile delinquency problem would confront us within 30 days.

Mrs. Mary H. Isham, Division Supervisor of the War Public Services of the Federal Works Agency, stated that the Agency could not allocate any more funds under the Lanham Act for Recreation or Child Care inasmuch as the Lanham Act appropriations are set up by Congress for war activities in the recruiting and retention of

(Continued on page three)

## To Discontinue Child Care Centers

The Federal Works Agency has directed the Albany Schools to close all Child Care Centers by October 20, 1945. These centers were started to enable mothers to be employed in war industries. Not only have the centers fulfilled this need but they have been a place where wives of servicemen could leave their children while they worked. Most of the wives of servicemen found it necessary to work in order to supplement government allowances.

During the year ending June 30, 1945, the Albany Child Care Centers enrolled 518 children. There were 312 children in the two nurseries; these children are 2, 3, and 4 years of age. Extended day care for school age children was provided for 206 children from ages 5 to 14. The average active enrollment was 96 nursery children and 96 school age children or a total of 192.

There are four centers in Albany. At Codornices Village the nursery is housed in a specially constructed, model nursery school building and the extended day care group is located at Codornices School. Another nursery is located on Key Route Blvd. in a building provided by the school district. The extended day care group is housed at Cornell School. These centers are operated from 6:15 a. m. to 6:00 p. m. to care for children of working mothers.

The mothers are employed at widely varied occupations but in practically all cases they are working to provide the necessary support for the children and themselves. The fathers of the 192 children now enrolled in the child care centers are engaged in the following occupations: 84 U. S. Navy; 13, U. S. Army; 4, U. S. Marines; 20, Mare Island Navy Yard; 48 miscellaneous industries, and in 23 cases the father is deceased, separated, or divorced.

During the year the children spent a total of 383,366 hours in the centers where they received training, care, and the proper food.

(Continued on page five)

## ALBANY SCHOOLS TO OPEN SEPTEMBER 11

School days will start again for the many eager children, and equally eager parents, on Tuesday, Sept. 11. Children will report to the three elementary schools at the usual 9:00 a. m. hour, while school students will start at 8:25 a. m. Registration of new elementary pupils will take place in the morning at the principals' offices while kindergarten pupils will report directly to the kindergarten teachers for registration. Birth certificates are required at the time of registration; but there will be no regular kindergarten classes on Tuesday.

The age of entrance for kindergarten and first grade pupils has been changed by the recent California Legislature. Under the new law, kindergarten children will be admitted if they are 4 years and 6 months of age on or before Sept. 1, while first grade pupils must be 5 years and 6 months of age on or before Sept. 1. The new law allows pupils in Albany to enter school three months younger than in previous years.

Charles Moore stated that registration of new pupils from the eighth grade through the twelfth will take place in the principal's office. He pointed out that many pupils who have dropped out of high school to take war time jobs are expected to re-enter high school this fall to gain their high school diplomas. Students and parents realize that high school graduation will be essential to future peacetime jobs.

The Albany Evening School will commence September 17, a week after regular school. With more leisure time for adults, many are expected to take advantage of the excellent opportunities offered. Registration will take place at the first meeting of these classes.

Paul C. Bryan, Superintendent of Schools, announced that on Monday, September 10, the faculty of the Albany Unified School District would hold an institute session in the Marin School auditorium at 2

p. m. At this time, new teacher will be introduced and preparation will be made for the opening day of school. Dr. Frank N. Freeman, Dean of the School of Education, at the University of California, will speak on "Mental Hygiene and Psychology in Teaching."

## Red Cross Camp and Hospital Committee Expand Program

"The war has ended, but the work of Camp and Hospital Committee goes right on. In fact, it has increased, and must now expand its program during the readjustment period," is the statement made today by Mrs. James A. Dorst, chairman of this service for the Berkeley Red Cross.

"Our hospitals are rapidly filling with returned wounded from overseas. Donations requested for them will be greatly appreciated by these men who have given so much for us."

One nearby military hospital sends out a request for typewriters, urgently needed in rehabilitation work. Musical instruments are still badly needed. Also magazines for men still stationed on islands in the Pacific, hungering for the latest news.

"The supply never meets the demand," says Mrs. Dorst. Anyone who can contribute typewriters, musical instruments and magazines, is requested to deliver them to the Camp and Hospital headquarters at 2117 Allston Way. If delivery is impossible, call BERK. 1430 and they will be called for.

## Legion to Organize Junior Baseball Club

By WALTER HOLLAND

With an eye to the Junior Baseball program of the American Legion for 1946 Albany Post No. 292, American Legion, is going to sponsor and enter a team of Juniors in the Winter Baseball League. The Post has appointed Gene Houser, veteran of World War II to organize and manage the team.

Houser has stated that he would like to contact and register all boys who are interested in baseball and who will not be 17 years of age before January 1, 1946. Assisting Houser will be Superintendent of Recreation Ed Howell and Len Callan, baseball coach of Albany High. Arrangements have been made with Howell for baseball players, 16 years of age and under, to register at the Recreation Center, 850 Masonic

**Gloria Struben Weds Navy Man**  
About 50 guests were present to witness the wedding Sunday, Aug. 19, of Miss Gloria Struben to George E. Jarrett, RM3c USN. The ceremony took place in the Little Chapel of the Flowers in Berkeley and was performed by Rev. Brooks of the Methodist Church.  
The bride, who was given in marriage by her father, was gown-d in traditional white satin with lace insets through dress and train. Her finger tip veil was held by a Juliette cap. She carried a bouquet of gardenias and bouvardia centered with an orchid. Mrs. Roy Leschinskey, sister of the bride, was her attendant. She wore a gown of Aqua net and carried an old fashioned bouquet of summer flowers.  
William Kopp, S1c, USN, of Los Angeles, was the best man. Ushers were John Teele, USNR, and Robert Eason, USNR.  
Following the wedding, a reception was held at the home of the bride's parents, Mr. and Mrs. Robert R. Struben of 1136 Marin Avenue, Albany.  
The bridegroom's mother, Mrs. Bertha Anderson and Brother Donald, came up from Los Angeles for the ceremony.

### Lanham Act Funds to Be Stopped on Sept. 30

(Continued from page one)  
workers in war production.  
A notice of termination concerning the Codornices Village Recreation Center and Playground, which cares for an average of 1200 adults and children a day, was received by the Albany City Council during the regular Monday session. Under the existing contract with the Federal Government, prior to the conclusion of the war Albany would receive approximately \$5,000 for the maintenance of the recreation program at Codornices Village during the next three months. The order read at the Council meeting requested that personnel be notified and records completed by September 22, in order

that the project may be completely liquidated of federal assistance by September 30. Mr. Crowl, Manager of the Codornices Village Housing Project was notified that the City of Albany is financially unable to continue operation of the recreation program without financial assistance and will terminate the program as of the 22nd of September.  
E. C. Blow, Chairman of the Albany Park and Recreation Commission stated that the closing of the Community Center and playground facilities in Codornices Village may vitally effect Albany's juvenile delinquency problem. Blow pointed out that the Housing project still retains its large population and with the 40-hour week, and the reduction of juvenile employment, logically calls for a leisure time recreation program.

## B.F. Goodrich Silvertown

is the tire that's backed by 3 years' extra experience. 3 years more any other manufacturer, B. F. Goodrich sold tires containing synthetic rubber to American car owners. These tires have proved their superiority in the now famous 80 million mile road test... proved the value of this extra experience. And they have "extras" too.

**30% MORE RUBBER BETWEEN PLIES**  
with Duramin, the "tire skin" that fights wear, provides long, safe mileage.  
**28% STRONGER CORD CONSTRUCTION**  
Cord better than pre-war, makes plies stronger and tire safer.  
**REDUCES STRESS BETWEEN CORDS** — gives added blow-out protection.

**CAUTION:** There aren't enough new tires for all who are eligible. Take care of your present tires and make them last. If you must have a new tire, be sure it's a B. F. Goodrich Silvertown.

6:00-16 \$15.20 PLUS TAX (with your old tire)

**B.F. Goodrich Glasstex Batteries**  
A battery needs extra punch these days of short trips—and this battery has it! Special glass mats shield the plates—keep them active longer! If your battery is old and weak—don't delay. Replace it with a power-packed Glasstex now.

# In This Hour of TRIUMPH

Behind us lie 3½ years of deadly struggle in which, with God's help, we have prevailed.

So, today, we celebrate a victory.

After the celebration, what lies ahead?

For most of us, the outlook is a bright one. If we will simply use the brains, the will, the energy, the enterprise...the materials and resources... with which we won our war, we can't fail to win the peace and to make this the richest, happiest land the world has known.

For most of us, the years ahead are bright with promise. But for others of us—and, ironically enough, their part in bringing victory was a major one—the years to come must bear a different look.

In America today are hundreds of thousands of injured men. Men with neatly pinned up sleeves and trousers. Blinded men. Men with clever iron hooks instead of hands. Worst of all, men with hurt and darkened minds.

These men need our help. Helping them will cost a great deal of money. We can help them best by buying Victory Bonds.

Far away from America today are millions of Americans. As we would be, they're on fire to get back—to their wives, to the children some of them have never seen, to their jobs.

These men need our help. Helping them will cost a great deal of money. And we can help them best by buying Victory Bonds.

This is our day of triumph. But it's theirs too—the injured men, the men who are still far away.

Let's not forget them, in our just rejoicing. And the one way we can help most to care for our wounded... to bring our veterans home... to give them a fresh start in the country they fought for... to care for the families of those who died before the Victory was won... is simply this:

Buy all the Bonds you can. Keep all the Bonds you buy.

VICTORY BONDS... *To have and to hold*

**"Doodle-Up"**  
**YOUR NEXT KITCHEN!**  
"Kitchenengineering" on paper is fun...  
Makes a Model Kitchen  
"Practically Yours"

The kitchen is one room in your home that should be personally planned and not accepted ready made. It is the room that should represent the ideas you "doodle-up" to make it fit your personality and working habits... For a basic plan, which includes the shape of the kitchen, step-saving arrangement of range, refrigerator and dishwasher together with supplementary cabinets, you will be well guided by the many free kitchen-planning booklets put out by home appliance manufacturers. Appliance dealers or any office of this company can obtain copies for you. You are, however the "kitchen engineer" as to color scheme, handy placement of special drawers and cabinets to suit your working habits, fluorescent lighting and Adequate Wiring. For your kitchen, you should give special attention to the wiring, so that the lighting circuit is separate from the plug-in outlet circuits for full power operation of the refrigerator, kitchen mixer, roaster, coffee maker, toaster, etc. Be real fussy with your kitchen planning. It is the best way to right the wrongs that so often occur in the newest of homes.

**Child Care Centers**  
**To Be Discontinued**

(Continued from page one)  
All during the year the parents paid a fee of 50 cents per day for each child. This has since been increased to 75 cents per day. An additional charge of 10 cents was made for breakfast. The nursery groups cost \$33,673.01 and the extended day care groups, \$25,973.39. The total cost for the year was \$59,646.40. The parents paid \$24,573.81 and the balance was contributed by the Federal Works Agency from Lanham Act funds.

Either we take our time, and other people's, or we take care to be on time.

**Acid Indigestion**

Relieved in 5 minutes or double your money back  
When excess stomach acid causes painful, burning gas, sour stomach and heartburn, doctors usually prescribe the fastest-acting medicines known for symptomatic relief—medicines like those in Bell-u Tablets. No laxative. Bell-u brings comfort in a lift or double your money back on return of bottle to us. 25c at all druggists.

**Greyhound Fares to**  
**Be Adjusted Between**  
**California and East**

Pacific Greyhound Lines has applied to the Interstate Commerce Commission to adjust bus fares between California, Nevada and Utah points, effective September 10. According to F. W. Ackerman, Vice-President of Pacific Greyhound Lines, this will result in lower fares between certain points as indicated in the advertisement carried elsewhere in this paper.

In making this announcement, Ackerman stated that "These reductions are in line with Greyhound's policy of providing the finest transportation at the lowest possible fares. With the ending of the war in the Pacific and the lifting of many wartime restrictions, Greyhound can be depended upon to do everything humanly possible to bring to the traveling public a continually improved transportation service."

"With the lifting of wartime restrictions, Greyhound will further improve its services. More schedules will be added, giving greater frequency and offering more convenience. By availing themselves of the increased service, passengers will have more opportunities to choose departure times to best suit their needs."

In addition to the schedules

which will be added, Greyhound will also provide newer buses and modernized terminals, offering these facilities at lower fares."
